Normal Hazards:

I understand that my dog will be playing with many other dogs and thereby exposed to normal hazards of community play (cuts, scratches, etc.) and I agree that The Dog and I may seek emergency treatment for my dog**, and I agree to assume all medical expenses.

**Bordetella is a canine respiratory illness somewhat similar to the flu. There are many strains of Bordetella. Dogs are particularly susceptible when under any kind of stress, like being away from family. Thus the name "Kennel Cough". Vaccines offered by vets cover most but not all forms of Bordetella.*

Bordetella Waiver: I understand that my dog can contract Bordetella even if s/he has been vaccinated and I will not hold The Dog and I or any of their employees or clients responsible in the event that my dog becomes ill. _____ (sign)

****Injury and/or illness policy:**

Small cuts, sore paws, scratches, minor tummy issues, etc. are treated with a time out and notification of owner upon pick up. More serious issues such as choking, poor breathing, serious cuts, possible broken bones, prolonged diarrhea, vomiting etc. are an immediate trip to the vet. (Owner assumes any and all expenses.) We will try to bring your dog to YOUR vet, but if they are closed or unable to help right away we will bring her/him to the nearest available emergency veterinary service. We will make every effort to contact you as soon as reasonably possible in the event of any serious health concerns.

Senior Pets:

I understand that older pets may present certain unexpected situations and I have discussed possibilities with The Dog and I and expressed by preferences should needs arise. _____ (sign)

I have read the above, and agree to the terms and conditions of boarding/day care and I agree to hold The Dog and I and its employees and clients **harmless from liability, suit, or claims** in the event of illness, injury or even death to dog(s) or people.
